

DATTA Qld Conference 2017

Design and Technology - The Human Element

Registration Now Open

<https://expertevents.eventsair.com/datta-qld/reg>

The DATTA Q conference aims to motivate and inspire all pre-service, primary, secondary and tertiary technology educators. It is a great opportunity to connect with colleagues to discuss the latest knowledge, methods, materials,

equipment, ideas, trends, and resources in an effort to apply, highlight and promote Industrial Technology and Design Education within a QCAA curriculum and beyond through the Australian National curriculum.

IMPORTANT INFORMATION

2017 Conference theme: Design and Technology:- The Human Element

2017 conference venue: Lake Kawana Community Centre.

114 Sportsmans Parade, Bokarina Qld 4575

2017 conference dates: Thursday 22nd and Friday 23rd June 2017
